

Green Mine and Uniquis enter a strategic alliance for Accounting & Reporting and ESG services in Germany, Austria and Switzerland

Partnership will drive significant value for clients and stakeholders in Germany, Austria and Switzerland through a powerful blend of technical expertise, global talent pool and technology.

Mumbai, 31 July 2024: Green Mine, a financial accounting and ESG advisory services provider, based in Essen, Germany, announced a strategic alliance with Uniquis Consultech, a tech-enabled global platform that offers consulting solutions in the accounting & reporting, finance operations, governance, risk, and ESG domains.

This alliance provides comprehensive, efficient, and innovative solutions to address both environmental and financial management challenges for clients across Germany, Austria and Switzerland using a truly integrated global delivery model. This partnership reflects a shared vision of driving enhanced value to clients through a powerful blend of sustainability and technology.

Sandip Khetan, Co-Founder, Global Head of Accounting & Reporting Consulting at Uniquis, remarked, "Our collaboration with Green Mine, with their deep expertise in sustainability solutions and accounting advisory services, allows us to leverage their deep industry knowledge and established presence in Germany, Switzerland and Austria. This alliance is a perfect synergy of strengths and reflects our shared vision of leading the industry through technological innovation in service delivery."

"We are thrilled to announce our strategic partnership with Uniquis, a move that significantly enhances our delivery capabilities and ability to provide innovative technological solutions," said Stefan Pfeiffer, Co-Founder of Green Mine. "Green Mine's established presence in our focus markets, combined with Uniquis' technological solutions and global market presence, positions us to meet the evolving needs of businesses in this region more effectively."
